Annex 3

Midterm Evaluation of the project
„Tasiop - Taking Action on Social Inclusion of Older People"

Guidelines for Focus Group Discussion

- **Relevance** *Are we doing the right thing?*
  - o **How relevant is the topic of social inclusion of older people for your country?**
  - o **How important are the networks of CSOs working on social inclusion of older people regarding local and national requirements and priorities?**

- **Effectivenes** *Are the objectives of the development interventions being achieved?*
  - o **Is the network of CSOs working on social inclusion of older people known in the country?**

- **Impact** *Does the development intervention contribute to reaching higher level development objectives (preferably, overall objective)?*
  - o **Do you see any specific impact of activities and outputs that were already achieved through the network structure?**
    - a. **For the CSOs participating in the network**
    - b. **For the older population in the country**

- **Sustainability** *Are the positive effects or impacts sustainable?*
  - o **What do you think the national network in your country would need in order to remain sustainable after phase out of the project?**
